

# BACK TO BASICS\*

HALYARD BASICS\* Surgical and Procedure masks, the newest addition to the Halyard facial protection portfolio. HALYARD BASICS\* masks are the perfect option for those looking for economic value without compromising quality or reliability.

## Designed with your comfort in mind

- Light weight material construction for enhanced breathability
- Pleated design allows for enhanced ergonomic facial conformity. Resulting in a better mask fit
- Latex and DEHP-free material construction reduces likelihood of skin irritation and allergy development
- EN 14683 compliant<sup>†1</sup>
- Available as a type II, surgical mask with ties or procedure mask with earloops
- In two colour options
- BFE<sup>i</sup> >98%
- Improved packaging with effective tie management facilitates single mask dispensing

## HALYARD BASICS\* Surgical and Procedure masks

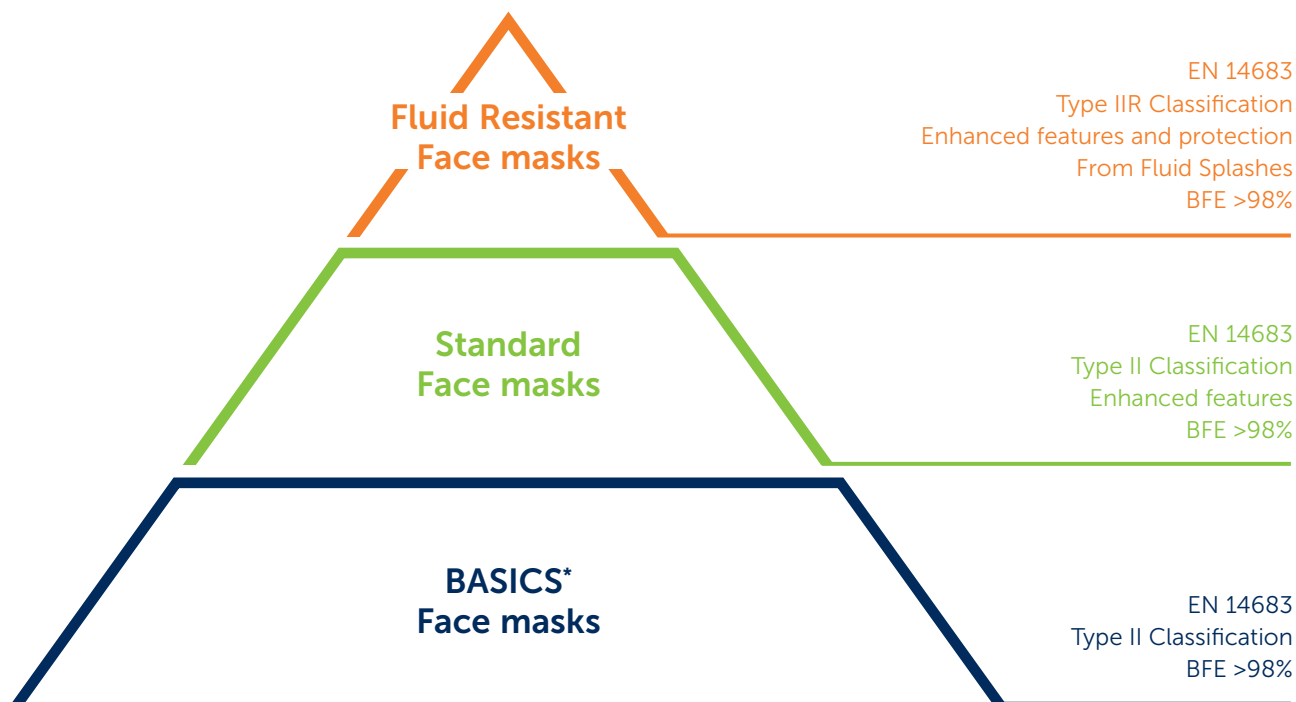

ITEM CODE	DESCRIPTION	PACKAGING
47251	HALYARD BASICS* Surgical mask with ties, Blue	50 items per box 6 boxes per case
47252	HALYARD BASICS* Surgical mask with ties, White	50 items per box 6 boxes per case
