

ENVIRONMENTAL POLICY - BELGIUM

QUALITY STRENGTHENS OWEN & MINOR'S MISSION

O&M Halyard recognizes the importance of conducting business in a sustainable manner. For its activities: "Sales and distribution of medical devices and personal protective equipment in EMEA", we are committed to protect the environment and prevent pollution, fulfill our compliance obligations and continually improve the environmental management system to enhance our environmental performance by:

- Reducing our environmental impact by promoting eco-friendly commuting options
- Raising awareness and providing solutions for our teammates to reduce energy usage, reduce waste generation and increase waste segregation in the day-to-day activities
- Maintaining a robust environmental management system that meets or exceeds all laws and regulations that govern our business
- Promoting partnerships with environmentally engaged suppliers
- Top management demonstrating leadership and commitment with respect to the environmental management system
